

Vineyard Notes:

**ESTATE RESERVE
2004 HOWELL MOUNTAIN**

97% Howell Mountain Cabernet Sauvignon
3% Howell Mountain Merlot

Our 2004 Estate Reserve Cabernet Sauvignon is produced from our Howell Mountain Estate vineyard located on Summit Lake Drive. Thirteen acres of Cabernet Sauvignon and a small amount of Merlot are planted on this 160-acre mountain ranch at an elevation of over 2,000 feet.

Soil and weather conditions of this mountain vineyard are challenging, but worth the extra effort as it produces a wine with great flavor, intensity and aging properties.

Winemaker Notes:

Deep in color and intense in aromas of blackberries and cigar box. This wine has a ripe, plush entry with mouth filling flavors. A big mountain cabernet but well balanced with silky tannins and a long lingering finish.
